Friday 25th September 2020

Dear Parents and Carers,

Today was the first day of our new Friday school meals. It was good to see more children than normal tucking into a school dinner.

These photographs show you our hall displays. These displays celebrate the learning that the children have already done this term in mathematics. I thought that you'd particularly like to see them as it is difficult for parents to come into the hall, at the moment.

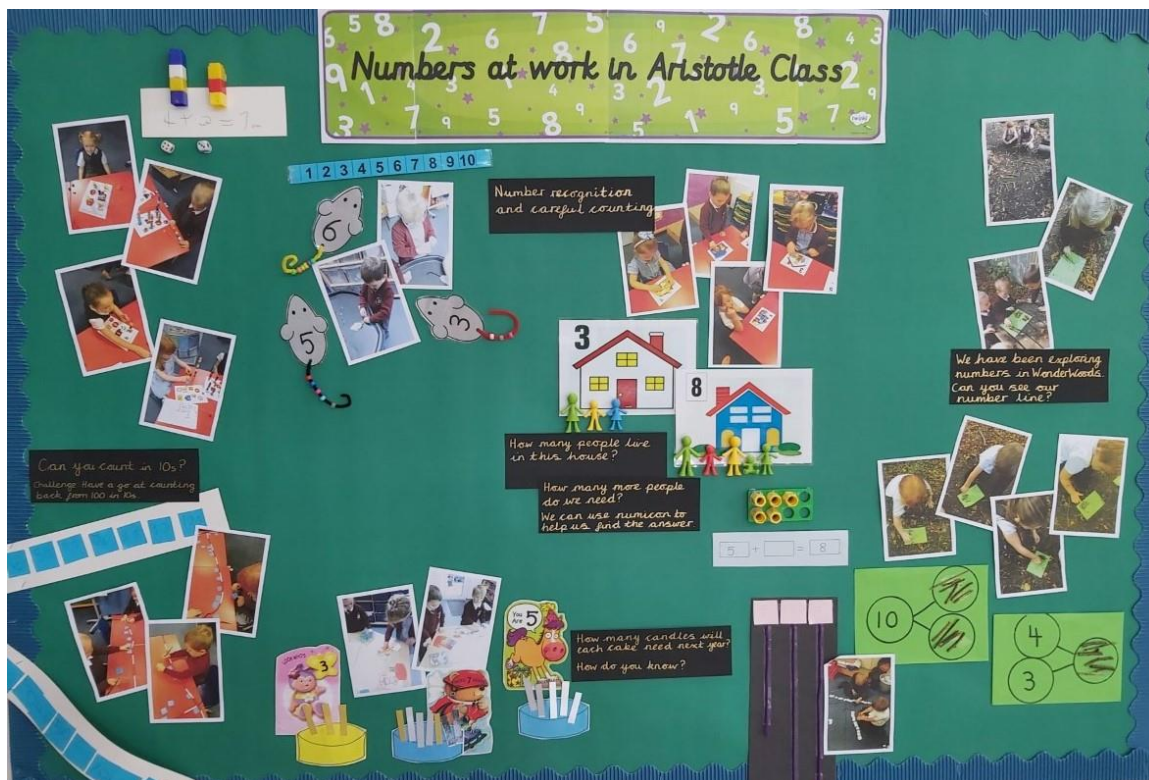

Figure Me Out!

Figure out and get to know your class by working out the calculations to the three questions that your class asks about themselves.

Mastery in Place Value

Examples of place value work:

- Number line: 100, 90, 80, 70, 60, 50, 40, 30, 20, 10, 0
- Base ten blocks: 100, 10, 1
- Arithmetic problems: $100 - 20 = 80$, $50 + 30 = 80$

Colleagues are in the process of booking visits/visitors to support children's learning. Please look out for details about these, as they are sent home.

Thursday saw us launch our new style Celebration Golden Award Worships. These will take place each Thursday. Every week there will be the following awards:

Dojo winner – one for each class.

1. Golden Award winner – one for each class.
2. Sport/PE Golden Award winner – one for the school.

Golden Awards may be achieved through children 'standing-out' in a range of ways. These include, but are not limited to:

- Effort with learning
- Progress with learning
- Attainment in learning
- Politeness
- Demonstrating friendship

We have a Sport/PE award to value and celebrate this area of learning – part of our provision to help children to be healthy.

At the end of each Friday's letter we will share the names of our Golden Award and Dojo winners, so that we can all celebrate these achievements together.

PTA – First meeting of the school year, all parents and carers are welcome.
