Policy Statement

The school is committed to providing the highest quality of teaching and learning for all its pupils and will ensure at all times that teaching and learning is delivered by appropriately trained and qualified staff.

The school will manage sickness and other absences effectively, and in accordance with its Policies, in such a way that provides appropriate support to staff but also ensures minimal impact of teacher absence on pupil progress and wellbeing or staff workload.

Section One: Cover

1. Teachers' Pay & Conditions Provisions

Teachers should cover for absent colleagues only rarely. This provision applies to all teachers, including the headteacher and to staff on permanent, fixed-term or temporary contracts.

This requirement does not apply to teachers employed specifically for the purposes of providing cover.

2 Definition of "rarely cover"

'Rarely cover' is interpreted as meaning a teacher will only be asked to cover in circumstances that are not foreseeable.

'Foreseeable circumstances' for the school include events that are foreseeable on the basis of historic experience; events that are foreseeable in the normal local experience; and events that may be expected as part of the evolving pattern of provision.

Teachers' PPA time is part of their contractual entitlement and cannot be used for cover.

Emergency cover will be shared equitably among all teaching staff having regard to their other commitments.

3. Definition of absence

Absence occurs when the teacher normally responsible for teaching a particular class/lesson is absent from the classroom during the time they have been timetabled to teach. Absence may be due to internal or external activities as well as sickness and may be long or short term.

Absence which requires cover as defined in this Section, does not include periods where a teacher is timetabled to be absent from their normal teaching duties e.g. timetabled PPA or Leadership and Management time. See Section Two – PPA policy.

3.1 Definition of short-term absences

Short term absence will normally be no longer than three days but the definition for the purposes of determining cover arrangements may vary according to:

- the extent to which continuity of learning can be maintained;
- the length of time a particular group of pupils would be working without a teacher;
- the proportion of the total curriculum time affected in a specific subject over the course of the term.

4. Educational Visits

Where a teacher acquires non-contact time in the timetable as a result of a class or group they would normally have taught being absent on an educational visit, they may be directed to use this time to undertake the following activities, directly relevant to teaching and learning:

Developing/revising departmental/subject curriculum materials, schemes of work, lesson plans and policies in preparation for the new academic year. This may include identifying appropriate materials for use by supply staff, TAs HLTAs;

- Assisting colleagues in appropriate, planned team teaching activities;
- Taking groups of pupils to provide additional learning support;
- Supporting selected pupils with coursework;
- Undertaking planned activities with pupils transferring between year groups;
- Where the school has a policy to release staff for CPD during school sessions, this time may be used for such activities.

Such activities will be planned in advance of the visit.

5. Covering absence

All types of absence will be carefully managed to minimise the impact on teaching and learning for the pupil.

A teacher's absence from their timetabled teaching commitments may be planned (e.g. training course) or unexpected (e.g. sickness). Although the principles apply equally to both types of cover, the management of them may differ. NB cover in this context does not apply to timetabled absence (see above).

5.1 How lessons will be covered

Cover will be undertaken only by staff:

- who have been assessed as competent to undertake specified work, defined in Regulations 133 as:
 - planning and preparing lessons and courses for pupils;
 - delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques;
 - assessing the development, progress and attainment of pupils; and
 - reporting on the development, progress and attainment of pupils
- for whom all relevant employment safeguarding checks have been undertaken;
- who have been inducted into the school's policies and procedures, particularly safeguarding, behaviour management and health and safety.

5.1.1 Supply teachers/cover teachers

The school will engage the services of supply/cover teachers to cover senior leaders judge that is it necessary for the education of children and the smooth running of the school.

5.1.2 HLTAs

HLTAs will provide short-term cover as decided and directed by senior leaders.

5.2 Specialist lessons

No person shall provide cover for PE or other specialist lessons unless;

- they hold the relevant qualifications/training; and/or,
- a risk assessment has been carried out by a qualified teacher

6. School Calendar

To ensure the system for managing cover is robust, the school will publish

details of planned cover with as much notice as is reasonably and practically possible. The School may need to review/revise such plans, in light of significant changes (e.g. a long-term absence or other significant educational development). Any such revisions will be planned, and shared with staff, as far in advance as possible. Pupil wellbeing and standards are paramount.

7. Managing cover

7.1 All covered lessons will be managed in such a way that all pupils continue their learning. It is expected that where the absence is planned, details of the work to be undertaken by pupils during cover lessons will be available. In the absence of this, and in the cases of unplanned absence, relevant information and guidance will be provided by the relevant manager.

Although this will not always be possible, HLTAs will ideally provide cover for teachers with whom they usually work and with whose plans they are familiar.

7.2 All those providing cover will be expected to engage in active teaching and to undertake such assessment, recording and feedback as may be required. They may also be required to undertake lesson planning and preparation.

7.3 All staff providing cover will be given an appropriate and proportionate allocation of paid time to undertake:

- liaison with other staff and giving feedback;
- providing written feedback and completion of other relevant paperwork;
- planning, preparation and assessment where appropriate.

In the case of teachers this is addressed through an allocation of directed time.

7.4 Where support staff are deployed to provide cover, the headteacher will:

- have regard to the suitability of the task to the member of staff's current role;
- the impact on their workload and whether sufficient time is available, or could be freed up;
- consider any additional training needs;
- ensure that if additional paid working hours are required this is agreed with the member of staff;
- ensure job descriptions are revised to reflect agreed changes and additional responsibilities;
- ensure pay and grading reflects any revised roles and responsibilities.

7.5 The school encourages all staff undertaking lesson cover to be a member of a relevant trade union/professional association.

8. Monitoring

To fulfil its commitment to ensure the short, medium- and long-term quality of teaching and learning for all its pupils, the school will monitor and evaluate in line with the school's monitoring and evaluation programme.

Section Two: APP/ECT Release Time

9. Teachers' Pay & Condition Provisions

9.1 Calculations

APP calculation

APP is calculated as a minimum of 10% of a teacher's timetabled teaching time. PPA must be allocated in blocks no less than 30 minutes.

ECT release time

ECTs serving their induction period must not be timetabled to teach for more than 90%* of a classroom teacher's timetabled time. PPA is calculated on this reduced ECT timetabled teaching time.

9.2 Definitions of "guaranteed"

Guaranteed means that timetabled PPA time must not be encroached upon for any reason. However, there is no entitlement to compensatory PPA time where a teacher is absent.

9.3 Use of APP time

PPA time must be used for planning preparation, and assessment. It is for each teacher to determine the particular PPA priorities for each block of timetabled PPA time, although this does not preclude them from choosing to use some of the time to support collaborative activities.

10. APP arrangements

Every teacher with timetabled teaching commitments will have APP timetabled:

Teachers may choose to spend some or all of their PPA time working collaboratively with colleagues.

APP may not be undertaken away from school premises.

Teachers may ask the headteacher for permission to take APP off school premises for a specific reason. The headteacher's decision about this is final; there is no right to appeal it.

11. Covering APP/NQT release time

11.1 APP cover will be undertaken only by staff:

- who have been assessed as competent to undertake specified work, defined in Regulations as:
 - planning and preparing lessons and courses for pupils;
 - delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques;
 - assessing the development, progress and attainment of pupils; and
 - reporting on the development, progress and attainment of pupils.
- for whom all relevant employment safeguarding checks have been undertaken;
- who have been inducted into the school's policies and procedures, particularly child protection, behaviour management and health and safety.

11.2 APP time will be provided in the following ways:

HLTAs and unqualified teacher

HLTAs and unqualified teachers will usually provide PPA cover for teachers.

- All HLTAs will be assessed as meeting the HLTA standards. The school is committed to ensuring all HLTAs pass through an external assessment process where available.
- HLTAs work under the professional direction of, and under a system of supervision by, a qualified teacher.

11.3 All staff providing APP release will be given an appropriate and proportionate allocation of paid to time to undertake:

- liaison with other staff and giving feedback;

- providing written feedback and completion of other relevant paperwork;
- planning, preparation and assessment where appropriate.

In the case of teachers this is addressed through an appropriate allocation of PPA/directed time.

12. Managing APP

APP time will be managed in such a way that supports the learning and well-being of pupils.

- Activities undertaken by those covering APP will normally be planned and prepared by the person providing the release. However, the classroom teacher will remain responsible for the overall learning of the pupils.
- Teachers are not required to undertake separate additional planning for delivery by HLTAs or other staff providing APP cover. However, HLTAs may work with teachers as part of the teachers normal planning, to determine appropriate activities for APP time.
- All those providing APP activities will be expected to undertake such assessment and reporting as may be required by the class teacher.

It is the headteacher's responsibility to monitor the quality of activity taking place during APP time, and all those who release staff for APP can expect to be observed.
