# School Uniform, Appearance and Equipment Policy and Code

## Introduction

It is Mistley Norman Church of England School and Nursery policy that all pupils enrolled at the school (not nursery) wear school uniform when attending school or participating in a school event outside normal school hours unless informed by the school otherwise.

The wearing of full school uniform is expected as an integral part of the school ethos, positive attitudes, high standards and a sense of personal pride.

## Aims and Objectives

Our policy is aimed to be fair and reasonable. A subsidiary objective is to prevent the cost or type of school uniform becoming a barrier that deters parents of any background from seeking a place at this school. We have formulated this policy to ensure that pupils are not disadvantaged due to any of the protected characteristics set out in the Equality Act 2010.

Our policy for school uniform is based on the notion that school uniform:

- Promotes a sense of pride in the school
- Engenders a sense of community and belonging towards the school
- Is practical and smart
- Makes children feel equal to their peers in terms of appearance
- Is regarded as suitable wear for school and is considered by parents as good value for money
- Is designed with health and safety in mind.

## School Uniform

The school is committed to ensuring fair access to school uniform by selling items as cost effective as possible and also the provision of second-hand school uniform, where supplies allow for this.

Parents are also encouraged to compare prices at general outlets and retailers.

Via Anglia Sports Wear, <http://www.yourschoolwear.co.uk/>, we sell items such as sweatshirts, cardigans, T shirts, sun hats, fleeces and book bags.

The school will consider exceptions to our uniform policy on religious and/or cultural grounds, These must be made in writing and submitted to the headteacher at least two weeks in advance of the date that the exception is requested to commence. The headteacher's decision on such exceptions is final.

**Children not wearing school uniform will be dealt with in line with the school behaviour policy.** For example, children not wearing school shoes will:

- be given a little time to get some school shoes
- usually have two letters sent home
- if they persist in not wearing shoes for school as set out in this policy, wear their PE plimsolls in school instead. If necessary, school may provide plimsolls for this use.

No member of staff is responsible for any loss or damage.

## **Hair**

The school does not permit children to have inappropriate hair styles such as Mohicans or unusual/unnatural hair colouring that serve as a distraction to other children and make children feel unequal in terms of appearance. Long hair is to be tied up (boys and girls). Hair accessories, such as bands, should be in red/black/grey/white.

Makeup, nail varnish and false/gel nails are not permitted except for dressing up for non-uniform days or social events such as school discos. Hats, caps and hoods within school are not permitted. Children are not permitted to wear any device, such as 'smart watches' which have any of the following capabilities:

- Recording still or moving images/videos
- Recording sound, including voices
- Internet/mobile phone connectivity whilst on the school site

Any child that wears a watch, with any of the above prohibited functionality, will have the watch confiscated for the time that they are on the school site. Repeated wearing of a prohibitive watch will lead to increased sanctions.

Medicine must not be brought to the school by children except inhalers. Medicine, including cough sweets, and medical equipment such as Epi-pens must be brought to the office (a form must be completed by parent/guardian for administration of medicine by school staff or self-administration by older pupils). Money must be in a named/marked envelope and is the child's responsibility. No toys or dangerous equipment such as knives are permitted. The school will not be held responsible for the loss of equipment including sports and entertainment material.

### **The role of parents**

All parents who choose their child to attend our school must comply with our school uniform policy. It is the responsibility of parents/guardians to ensure that their child has the correct uniform which is clean and in good repair and appropriate appearance.

If any parent wishes to make representation for special dispensations for their child wearing school uniform they should approach, in the first instance, the Headteacher by letter. The school welcomes children from all backgrounds and faith communities. If there are serious reasons on religious, moral or health and safety grounds why parents want their child to wear clothes that differ from the school uniform or differ in their appearance, the school will consider such request fairly and sensitively.

### **The role of the Local Governing Body (Local School Board)**

It is the Local School Board's responsibility to ensure that the school uniform meets all the regulations concerning equal opportunities.

### **Monitoring and Review**

The Local School Board will monitor and review the school uniform policy and will liaise, as necessary, with the Headteacher.

Day to day monitoring of the implementation of our policy will be the responsibility of all staff.

Pupils who do not comply will be subject to the following stages:

- Stage 1      Gentle reminder in the first instance of non-compliance
- Stage 2      Internal sanctions such as wearing of plimsolls instead of school shoes etc.
- Stage 3      Parents invited to make representation and appropriate action considered by school

We reserve the right to review this policy as appropriate.
