Our Vision for our Primary School:

In church schools, some policies including this one should be made distinctive – and linked with specific school Vision and theological underpinning, as well as the Vine Vision.

At our school, we recognise the importance of the academic, personal development and well-being of every child in our school. This includes recognising the importance of providing a range of opportunities for our pupils to respond to, that supports their spiritual, moral, social and cultural development and including global education themes.

We recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of the cultures.

All members of the school community are encouraged to develop into responsible citizens through the implementation of modern British Values. Modern British Values are shared through the thoughtful and wide-ranging promotion of the children's SMSC development, enabling them to thrive in a supportive, highly cohesive learning

Aims

- To embrace the spiritual, physical, intellectual, emotional, moral and social development of children, young people and adults.
- To embed a clear understanding of SMSC within a Christian Church School context.
- To provide a broad and balanced curriculum that promotes SMSC development of all pupils.
- To ensure that the provision for pupils in SMSC is highly effective and has an impact across the curriculum.
- To ensure that everyone connected with the school is aware of our values and principles.
- To ensure a consistent approach to the delivery of SMSC issues through the curriculum and the general life of the school.
- To ensure that a pupil's education is set within a context that is meaningful and appropriate to their age, aptitude and background.
- To ensure that pupils know what is expected of them and why.
- To give each pupil a range of opportunities to reflect upon and discuss their beliefs, feelings and responses to personal experience.
- To enable pupils to develop an understanding of their individual and group identity that contributes to their personal wellbeing.
- To enable pupils to begin to develop an understanding of their social and cultural environment, and an appreciation of the many cultures that now enrich our society.
- To give each pupil the opportunity to explore social and moral issues, and develop a sense of social and moral responsibility.
- To ensure that British Values are frequently and purposefully promoted.

Our curriculum

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for this will be planned in each area of the curriculum. It is also acknowledged that pupils' development will also be enriched by the extended curriculum such as break times and clubs.

Christian spirituality and Christian values and principles are explored, especially in RE/Collective Worship, but the integrity and spirituality of other faith backgrounds is also respected and explored. The diversity of spiritual traditions is recognised, and pupils are given access to alternative views. All adults model and promote expected behaviour, treating all people as unique and valuable individuals.

The school community is a place where pupils can find acceptance for themselves as unique individuals and where forgiveness is fundamental to the ethos of the school.

Pupils learn to differentiate between right and wrong in and how their actions may affect other people. They are encouraged to value themselves and others.

Pupils are supported to understand the need for rules and the need to abide by rules for the good of everyone. School and classroom expectations/rules/codes of conduct reflect, reiterate, promote and reward appropriate behaviour and provide opportunities to celebrate pupils' work and achievements.

All curriculum areas seek to use illustrations and examples drawn from as wide a range of cultural contexts as possible. This is reflected in planning and purchasing decisions.

Further information is available on our website.

This policy has been formally adopted by the Local Schools Board, in consultation with the Headteacher. It is consistent with the Christian foundation of the school as expressed in the Trust Deed and School Ethos Statement.

Spiritual, Moral, Social and Cultural development (SMSC)

(NB whilst each dimension is outlined separately there is a great deal of overlap between the four areas).

Spiritual development

Spiritual development is concerned with developing the non-material aspects of life, focusing on personal insight, values, meaning and purpose. Beliefs that help provide perspective on life may be rooted in a religion, but equally may not. Children explore the fundamental British Value of exploring and respecting the values and beliefs of others.

The Spiritual development of all our children is addressed through the Christian vision and values of our school. As a church school we address spiritual development through prayer, Christian worship, celebration of Christian festivals and learning about those of other faiths, reading and reflection on the Bible within Collective Worship, RE and across the wider curriculum.

We are committed to:

- Celebrating the religious and non-religious beliefs and values that our pupils bring as part of their family/culture heritage and to building an awareness of and respect for others' spiritual and religious beliefs.
- Fostering common human values and building spiritual capacities to promote self-worth
- Promoting Self-esteem, wellbeing and valuing others
- Helping our pupils to come to an understanding of themselves as unique individuals and encouraging them to reflect on "big questions"
- Developing our pupils' curiosity, imagination, creativity and promoting a lifelong love of learning.

The learning environment and curriculum have been carefully developed and planned to provide thoughtful and wide-ranging opportunities for Spiritual Development. These include:

- Opportunities for deep thinking, exploring challenging questions and Prayer permeating the life of the school

- Creative, bold and imaginative curriculum structure leading to opportunities for delight and wonder.
- Time to be calm, peaceful and reflective
- Opportunities for pupils to know themselves as they are known and loved by God
- Exploring a range of beliefs and how they can impact on the way an individual lives
- Engaging and exploring worship from a range of Christian
- Opportunities for extended learning provided by after school clubs and extra-curricular activities

Note: In the current SIAMS schedule (September 2021) Spiritual Development is focused on primarily in Strand 2 'Wisdom, Knowledge and Skills'.

APPENDIX B

SMSC – A CHRISTIAN PERSPECTIVE

SPIRITUAL DEVELOPMENT:

Spiritual Development in a Church School can enrich and encourage the child's journey towards a discovery and deeper understanding of our 'inmost being', God our Creator and the wonder of the world around them.

'Let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith.' Hebrews 12:1-2

'For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful.' Psalm 139 V 13-14

MORAL DEVELOPMENT:

Moral Development in a Church school should allow pupils opportunities to explore issues from a wide range of viewpoints. Underpinning all investigation, discussion, reflection and evaluation are the teachings of Jesus Christ, offering pupils a foundation stone on which to build their lives. The voice of Christianity should be heard clearly throughout.

'As obedient children, do not conform to the evil desires you had when you lived in ignorance. But just as he who called you is holy, so be holy in all you do; For it is written; 'Be holy, because I am holy'' 1 Peter 1:14-16

'Since you are my rock and my fortress, for the sake of your name lead and guide me' Psalm 31: 3

SOCIAL DEVELOPMENT:

Social Development in a Church School should develop children's understanding of what it means to live in a Christian community where Jesus' command to love one another is put into practice.

'Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.' 1 Corinthians 12:12

'May the Lord make your love increase and overflow for each other and for everyone else.' 1 Thessalonians 3:12

CULTURAL DEVELOPMENT:

Cultural Development in a Church School provides opportunities to develop an understanding of Christianity as a worldwide multi-cultural faith and an appreciation of the diversity of beliefs and cultures across the world.

'There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus' Galatians 3:28
