Dear Parents and Carers

Mr. Carter-Tufnell's video update can be found on our [Youtube channel](http://www.youtube.com/@mistleynorman) – <http://www.youtube.com/@mistleynorman> . This contains an important update for parents of children in Plato class.

Netball Match

On Wednesday 1st March, the Year 5 and 6 netball team played Frinton Primary School. This was our second league match. The game was extremely close as each team battled to score goals. The passing, defence and goal scoring was fantastic; the progress since the last match was enormous. As the final whistle blew, Mistley had scored 8 and Frinton 6. An amazing win for us! Well done everyone.

World Book Day

As part of our World Book Day celebrations, the children have all been able to bring in a book and swap it for a new one. There was great excitement from everyone to have a new book to take home and read or share with their family. A huge thank you to everyone who brought in books to make this a huge success!

Cycling Skills Years 5-6

On Wednesday, Year 5 and 6 took part in a cycling session which was run by a British Olympic cyclist. All of the children had the chance to practise different cycling skills and games on the playground regardless of their cycling experience. It was great fun and the children all learnt some new, valuable skills.

Squash

After success in the Roman Cup for our Year 5 and 6 teams, Thursday 2nd of March saw Y3 go and compete at the garrison for the first time. They performed brilliantly, improving in every single game that they played. The joy and support they showed for each other was second-to-none – I was extremely proud of them. Well done, team!

Mr. Holton

Easter Parade – 30th March

Parents of our nursery children have received a letter inviting them to a special Easter bonnet event at our nursery.

School Uniform

Please remember that a school tie, appropriately coloured jumper/cardigan and black shoes are a required part of our school uniform.

Our Attendance Ladder

Attendance is key. The more children attend school the more likely it is that they will have good levels of attainment. Even small improvements to attainment at 11 years old can increase the amount a person earns before they are 33 years old – an increase of up to 25%!

When children are not in school and we have had no contact from parents or are concerned about welfare, you could find us knocking on your door...

THERE IS NO LEGAL ENTITLEMENT for parents / carers to take a child out of school during term time.
